Portfolio (Photo Album)

Labor cost	\$150 each, for one or two \$130 each for 3 to 10
Die for stamping	\$50-\$70 (stamping included in labor)
Leather (special order)	\$160-200 yields aprox. 6 books (average size)
Leather (stock or black)	\$50 each for average size book
Hinging pages	\$2.25 each or we will teach you how

What We Need to Start

- A. Spoiled print trimmed to size (or photo sleeve)
- B. Capacity number of prints in the book
- C. Artwork for stamping (camera ready ,film or digital file with one print out)

Page Size

A hinge will be added to the back of your print. The hinge will cover approximately 1/4" on the back of the print and extend 1" into the binding.

Special arrangements can be made for double sided prints and for spreads.

Accommodations can easily be made for plastic photo sleeves.

Book Size

We will add a hinge to your pages and make the book 1-1/4" wider than your page. The height of the book will be 3/4" higher than your page.

The book will be 3/4" thicker than your stack of prints at capacity

	FedEx boxes	Maximum print Size*
Large	17-1/4" x 12-5/8" x 3"	16" x 11-7/8" — 40 pg.
Medium	13-1/4" x 11-3/4" x 2-3/8"	12" x 11" — 30 pg
Small	12-1/2" x 10-7/8" x 1-1/2"	11" x 10" — 20 pg

*These sizes are maximum. If all sizes are at the maximum you may not be able to get the book out of the box! Please let me know if you intend to fit you book into a FedEx box particularly if you are close to these maximum dimensions.
