## **Artwork for stamping**

### **Camera Ready Art**

Camera ready art or original line art must be on clean white paper at 100% size. Sending camera ready art usually makes a die about \$20 cheaper than sending a digital file, and it will save one day of production time. Deliver artwork to Taurus Bookbindery at the address above, or mail to Herzog Engraving and be sure to indicate that it is for Taurus:

Herzog Engraving  
910 South Amphlett Blvd.  
San Mateo, CA 94402  
650-340-1622  
650-343-6031 fax  
herzoginc@aol.com

The die will be delivered to Taurus three working days after arrival in San Mateo.

### **Digital File**

Mac or PC accepted  
Most professional graphic programs accepted  
Illustrator or Quark recommended  
Microsoft files NOT accepted.

1. Make a hard copy of your file.
2. Include on the hard copy some measurement to indicate size of the image and indicate it is for Taurus Bookbindery. (Faxes sometimes reduce images and we want to check measurements against size on the disk.)
3. Fax the hard copy to Taurus at 415-671-2244; we will tell you if we can stamp the image.
4. Fax Herzog a copy at 650-343-6031; this tells them they can safely open the file.
5. E-mail the file to herzoginc@aol.com. The finished die will be delivered to Taurus in four working days.
